Confidential.

Letter No.C.110/29-30 dated 3rd March 1930 from the Superintendent of Police, Bangalore City and Taluk, Bangalore, to the Deputy Commissioner, Bangalore District.

With reference to your No.Jl.3656/29 dated 21st February 1930 calling for a confidential report regarding the antecedents of Mr.K.Srinivasan, I have the honour to report that the said Mr. Srinivasan is the son ofMr.K.V.Krishna Sastry, an accountant in the Competroller's office, now deputed to audit the accounts of the Medical College, Bangalore and drawing a salary of Rs.120/- per mensem. He is said to have passed out of the Government Collegiate High School in 1916 and duly passed his B.Sc. from the Central College in 1920, after which he has undergone apprenticeship in the Government Electrical Laboratory under one Mr.M.S.Padmanabha Rao till 1922. From 1922 to October 1927 he was getting a stipend of Rs.120 per mensem in the Indian Institute of Science, Bangalore, and was working there. He is said to have left for England on 2-10-1927 to take up further studies and obtain training in Electrical Engineering in England. He has left London for Paris on 30-1-30 for further studies and is now studying at Les. Laboratories Standard, 46 Avenue de Bretenic, Paris VIII

He has many relations in Mysore, of whom his uncle Mr. K. N. Venkatasubba Sastry, Assistant Master of Tumkur Intermediate College left for London in 1928 to study for Ph.D.Examination and is still in England. The present Dharmadhikari Mr.Venkatesha Sastry of the Mysore Palace is his grand-father. His brother-in-law Dr. Shankar Iyer, B.Sc.,M.B.B.S. is in theSenior Surgeon's Office and his brother Mr. K. Sharma, B.E. is now undergoing practical training in Engineering in Bombay

According to the confidential enquiries made so far regarding his character and antecedents, when he stayed here, nothing incriminating has come to my notice. It is ascertained that Mr. Srinivasan is shortly leaving Paris for Germany and whence he intends to proceed to Russia, with the object of studying advanced

Electrical Engineering in those countries. He is expected to return to India in course of about three months.
